

## Molekule Named Edison Awards Finalist 2017

---

**San Francisco, California** – (Feb 09, 2017 6:00 a.m. PT) –

Molekule has been named a 2017 Award Finalist by the internationally renowned Edison Awards™. The distinguished awards, inspired by Thomas Edison's persistence and inventiveness, recognize innovation, creativity and ingenuity in the global economy.

“It's exciting to see companies like Molekule continuing Thomas Edison's legacy of challenging conventional thinking,” said Frank Bonafilia, Edison Awards' executive director. “Edison Awards recognizes the game-changing products and services, and the teams that brought them to consumers.” Award winners will be announced April 20, 2017 at the Edison Awards Annual Gala, held in the historic Ballroom of the Capitale in New York City.

Edison Award nominees are judged by more than 3,000 senior business executives and academics from across the nation whose votes acknowledge the Finalists' success in meeting the award's stringent criteria of quality. The voting panel includes members of:

- Chief Marketing Officer Council (CMO)
- Design Management Institute (DMI)
- American Productivity & Quality Center (APQC)
- American Society of Mechanical Engineers (ASME)
- Georgia State Marketing Roundtable (GSU)
- Product Development and Management Association (PDMA)
- Assoc. of Technology Mgmt & Applied Engineering (ATMAE)
- BPI Network

- Past Edison Award winners
- Marketing professionals
- Scientists
- Designers
- Engineers
- Academics

The Edison Awards is a program conducted by Edison Universe, a 501(c)(3) charitable organization dedicated to fostering future innovators. For more information about the Edison Awards, Edison Universe and a list of past winners, visit [www.edisonawards.com](http://www.edisonawards.com).
